

What about large non-electrical items?

Contact Chichester District Council, who offer a chargeable bulky household collection service. For more details please visit www.chichester.gov.uk/wasteandrecycling or telephone **01243 534619**

Visit Chichester Household Waste Recycling Site, Coach Road, Westhampnett, PO18 0NS

This is your nearest site and can accept a wide range of your waste and recycling. For more information on specific items please visit www.recycleforwestsussex.org/recycling-sites/chichester/

Please also note that the mobile electrical recycling events are for household WEEE only, we will not accept any WEEE from commercial sources.

Don't bin it, Bring it!

Electrical recycling events at Selsey Mobile Waste Site.

From January 2013 you will be able to bring along more of your old, broken or unwanted electrical items for recycling. So when your fridge has lost its chill, the toaster is toast or the TV just can't be fixed, help is at hand from your mobile waste site.

Following on from the success of last year's recycling scheme for waste electrical and electronic items (WEEE), we are pleased to announce that these recycling events will be taking place again in Selsey throughout 2013.

West Sussex County Council in partnership with its recycling contractor Viridor have been successful in receiving funding from the manufacturers of electrical equipment to support these events.

When can I start recycling at Selsey?

The WEEE collection events will operate at East Beach Car Park every two months on the following dates:

Friday 25 January 2013

Friday 22 March 2013

Friday 31 May 2013

Friday 26 July 2013

Friday 27 September 2013

Friday 29 November 2013
